Thank You for Choosing Segway Events!

Congratulations on booking your Segway Rally!

Our Segway Rally experiences are fun, exhilarating and extremely memorable! Easy to use, the Segway Rally will see you taking to the twists and turns of our Alexandra Palace rally course. With a variety of terrains there are plenty of opportunities to master your skills on the Segway!

Our Alexandra Palace location is situated in North London and has 196 acres of parkland including a boating lake, pitch and putt golf course, and a deer enclosure. The area is surrounded with lush greenery in the centre of the urban sprawl of Greater London, and it is amongst these surroundings that your experience will take place.

Upon entry to the site you will make your way to the Segway Pod, located near the Palace building and the ice rink where you will sign in and get kitted up with the necessary safety gear and helmet. After your initial training and safety briefing, which will last around 10 minutes, you will be guided around various different routes where you can get to grips with the experience of travelling on a Segway, whilst taking the opportunity to take in both the views of London, and the picturesque surroundings.
