Thank You for Choosing Segway Events!

Congratulations on booking your Segway Rally!

Our Segway Rally experiences are fun, exhilarating and extremely memorable! Easy to use, the Segway Experience will see you taking to the twists around the estate of Tatton Park.

Our Tatton Park location is situated on the open grassland within the Tatton Park estate. The Segway course is one of our favourites offering the most spectacular setting and fun day out. Tatton Park itself offers a perfect day out for family and friends, boasting beautiful gardens and is one of the most complete historic estates in the UK.

Upon entry to the site's main entrance head right on the outer ring road of the circuit, follow it round towards the 4x4 area and look out for Segway Events signage. Then make your way to the Segway Pod where you will sign in and get kitted up with the necessary safety gear and helmet. After your initial training and safety briefing, which will last around 10 minutes, you will be guided around various different routes where you can get to grips with the experience of travelling on a Segway, and enjoy racing through the estate.

Make a Day of It!

Tatton Park is a fantastic location for a day out thanks to its interesting history and picturesque landscapes!

What's more, Tatton Park has a range of delicious food offerings from the relaxed atmosphere of The Stables to the more elegant atmosphere of the Gardener's Cottage. To enjoy a delicious bite to eat at either The Stables or Gardener's Cottage and save 10% off your entire bill, just print off the below voucher and present it at the till! Alternatively, if you don't have time to stop for lunch on the day of your experience, you can use your voucher on an alternative date!
