

Segway Events

Segway Events is the supplier of all experiences that appear on www.segwayevents.co.uk. When you purchase an experience or book with a voucher from Segway Events or with a voucher provided by an external provider, you become legally bound by these terms and conditions. Please do not proceed and book or purchase an experience or complete a booking until you have read, understood and accepted these terms and conditions.

Prices

The prices displayed on our website are correct to the best of our knowledge and maintained on a daily basis. Prices of experiences may vary throughout the year. In the event of an order being placed against an accidental incorrect price, we will endeavour to inform the purchaser of the error within 7 days of the purchase being made. We will allow the purchaser to either cancel the booking or choose to pay the additional difference in price. Vouchers and purchases from external voucher providers may vary, Segway Events shall not be held responsible for purchases or the prices displayed on external websites and other gift experience companies.

Availability

All experiences are offered subject to the availability of dates, equipment, facilities and crew. Bookings should be made as far in advance as possible especially during peak times. We suggest if you plan to book an experience or purchase a voucher for a date at short notice, you call us to ensure there is still availability before completing the transaction. You should not make any travel or accommodation arrangements in connection with the course or experience until you have received your booking confirmation with a date and time on it from Segway Events. Where specific elements of the experience such as equipment are not available due to mechanical breakdown, we reserve the right to make reasonable substitutions on the day. If this is not possible we reserve the right to cancel the experience at short notice.

Duration and Time

The time of your experience is a guide time only, there is no guarantee that you will complete your experience at the exact time given on your booking confirmation however we try to stick to these times as closely as possible. Please arrive 30mins before your guide time for registration and allow plenty of time on site, we recommend a minimum of 3hours. Where the duration of an experience is mentioned on our website and marketing material or by a member of our crew this is an approximate guide to the length of time you should expect to be at the venue. The duration may vary slightly from venue to venue. When you are taking the experience as part of a group there may be some waiting time involved.

Descriptions & Images

All descriptions contained on our website and in our marketing material are correct at the time of going to press. Descriptions may be updated throughout the year as experiences change. The images used in all promotional literature to illustrate courses experiences, particularly those that take place at more than one location, are used as an indication only. Segway Events shall not be responsible for the descriptions and images of external websites and gift experience companies.

Safety

We ask you to leave plenty of time to get to the venue. All of the experiences we offer require registration, a safety briefing and certain amount of preparation. It is essential that the participant attends registration otherwise they will not be able to participate. No alcohol or drugs can be consumed before any of the experiences we offer. Our crew reserve the right to refuse an activity to persons suspected to be under the influence of alcohol and / or drugs. All experiences require the wearing of safety equipment, this is mandatory and there are no exceptions. Other safety precautions will be advised in your confirmation details. Each venue employs professional instructors who reserve the right to end an experience or offer alternative tuition if they believe the participant may endanger themselves or other members of the public.

Booking Confirmations

Segway Events booking confirmations can be delivered by email to the email address entered by the person making the booking. Be aware that some email accounts may categorise our email confirmations as unwanted or 'spam' email. To avoid this please add our email address info@segwayevents.co.uk to your address book. Segway Events is not liable or responsible for any loss suffered as a result of an email voucher being blocked by web filters or firewalls. If the recipient does not receive the email voucher, please contact us immediately to send confirmations to an alternative email address.

Refunds and Cancellations

Segway Events will refund booked experiences & vouchers bought direct from Segway Events within 7 days of purchase minus a £10 administration. After 7 days no refund will be available.

Where gift vouchers have been bought from external providers and a booking has been made, no refunds will be given and voucher validity will be lost for any cancellations.

Should you need to cancel or re-schedule a booking you have already made after 7 days of booking, a £10 re-booking fee per person will apply. Where cancellation cover has been purchased you may change the date of your event once free of charge, and we must be informed of this change before the start time of your event.

For participants failing to turn up to an event you will not be able to reschedule bookings, no refunds will be given and voucher validity will be lost.

Cancellation Cover

Cancellation cover must be paid for separately. This can be done on our website or requested from our Customer Care Team on 0845 319 3747 and must be purchased at the time of booking. This cover will allow you to cancel the activity once. If you have purchased this from Segway Events, we will rebook an activity within the voucher's validity period.

Once purchased this policy is non-refundable and does not fall within the 7 day conditions. This covers the participant taking part in the event and not the gift voucher.

If no Cancellation cover is taken: - Any changes made after 7 days of booking will incur a £10 per person re-booking fee. Please see above cancellation procedures for full details as no changes, cancellations, rebooks or exchanges will be accepted.

Cancelled Events

Sometimes Segway Events has to cancel experiences for reasons, such as the weather, mechanical breakdown, and because minimum requirements are not met e.g. minimum participant numbers. We regret such eventualities but in these circumstances, Segway Events is unable to reimburse travel, accommodation or any other expenses you may incur in relation to the cancelled experience. A location and experience may be terminated without warning during the lifetime of vouchers and bookings on these occasions an equivalent or alternative location or experience will be offered. If this is not suitable credit will be offered but no cash refunds will be made. As events do vary from venue to venue, please note that cancellation or re-scheduling may not always be possible.

All cancelled events will be followed up with phone calls, texts and emails. You will receive a final email reminder to rebook your experience 3 months after the cancellation of your event. You will then have 7 days from the receipt of this email to rebook. Failure to do so will result in the loss of your experience.

Gift Vouchers - Validity & Extensions

Each voucher will show a unique code, which must be quoted when dealing with Segway Events and which will be used to identify your booking and proof of purchase. Vouchers and the associated references must be kept safely and securely and presented to Segway Events on the day of your experience. Please check your expiry date, you must book and complete your experience prior to the expiry date on your voucher. We reserve the right to refuse participants who turn up without a valid voucher.

Failure to produce a valid voucher on the day of your experience means that full payment will be required to cover the cost of the experience before you will be allowed to proceed with registration. This payment will be refunded on receipt of a valid voucher in the post alongside a completed deposit refund form within 28 days of your experience date.

Segway Events will take no responsibility for any loss you may incur as a result of impersonation or identity fraud. A voucher will be deemed to be invalid if it is out of date unless you have written prior agreement from Segway Events or an external provider (the validity date is clearly stated on the voucher).

In the case that you are unable to book and complete an experience before the expiry date on your voucher, Segway Events will extend the voucher for 6 months upon the customer paying an administration fee of £10 per person. Customers are required to return a Voucher Extension Form and the original gift voucher via post to Segway Events. The £10 per person administration fee must be paid prior to receiving a Voucher Extension Form. Vouchers can only be extended if they are still within the expiry date when received by Segway Events. Vouchers can only be extended once with a maximum expiry date of 6 months from the original voucher expiry date. Where a gift voucher has been purchased by a third party the above terms and conditions will apply, and once extended the voucher will become non-refundable. All gift vouchers purchased directly from Segway Events are non-refundable after 7 days of purchase. Segway Events strongly recommends that all experiences are booked as early as possible to avoid disappointment.

Segway Events accepts no responsibility for any lost or stolen vouchers; any lost or stolen voucher will not be replaced.

The total liability of Segway Events for any claim whatsoever in connection with the course or experience voucher or any course or experience shall be limited to the price paid for the voucher or booking.

Late Arrivals

We urge you to treat a trip to your experience as you would be catching a flight or train. This is because every participant has a scheduled time. If you are late we will endeavour to put you through your experience but this will be subject to conditions on the day and the length of your experience reduced.

Personal Belongings

It is the participant's responsibility to ensure that they are in possession of their personal belongings following their experience. Segway Events has no liability to compensate or offer replacements for items lost at one of our experiences.

Spectators

Most locations will allow you to bring spectators to watch you participate in your selected experience. When booking your date please check our website for details. Spectators are required to comply with the partner locations terms, conditions and expectations of conduct. Any spectators deemed under the influence of drugs or alcohol will not be permitted on site. Please be aware some locations require spectators to be 18 years and over please check your booking confirmation or call our office.

Weather

Please be aware that the weather can be unpredictable and events do have to be cancelled because of this. Cancelling an event can be a huge inconvenience for both participants and us here at Segway Events, however the safety of our participants and crew is paramount and we would appreciate your understanding with this. If bad weather affects a booking it will be rescheduled by Segway Events at no extra charge to you for a later date. No refunds will be given. There can be no guarantee that a particular date will not be withdrawn due to adverse weather conditions. As above we strongly recommend that you contact us before you depart for your experience, however please be aware weather conditions on the day can change quickly and events can still be cancelled after the event has started should the experience be deemed unsafe. Non-attendance on a day that operates in spite of bad weather forecasts will see you lose your experience. In the event of cancellation, Segway Events will not be held liable for the cost of lost insurance premiums, travel expenses, pre-booked accommodation costs or any other costs incurred. Please make sure you have provided us with the mobile phone number you will have with you on the day. If your experience is cancelled due to inclement weather, we will endeavour to reschedule it as soon as possible.

All merchandise is provided at an additional charge and is in no way linked to the price of your experience. Prices of merchandise may vary throughout the year. Where specific elements are not available, we reserve the right to make reasonable substitutions on the day. If this is not possible we reserve the right to cancel merchandise at short notice.

By participating in an experience with us you acknowledge that certain factors of merchandise are beyond the control of Segway Events and agree that neither Segway Events nor any associated Partner shall be liable should certain equipment associated with merchandise such as cameras not be working at the time of your experience. If for any reason you are unhappy with any of the merchandise received, you can return any of them to us for an exchange or refund within fourteen days of purchase. We make no charge for returns.
